

FIND THE FIT

Where you go to
college matters.

But how will you
find the very best
college for you?

Dear Student,

We want you to make a great college choice! The *Find the Fit* materials will help you explore colleges and find a good fit.

You will:

- ✓ **Explore factors of fit** to find the right college for you.
- ✓ **Follow a plan** to manage your college search and application process.
- ✓ **Think about cost and what you can afford** with the help of scholarships, grants, and loans — good colleges may be less expensive than you think!
- ✓ **Expand your college options** to help you achieve your goals.
- ✓ **Apply to four or more schools.**

We all want to see you *Find your Fit*, so that you succeed in college and beyond.
Best of luck with your college search!
