Prepare to Apply

- **Take the tests.** Register and take the SAT, ACT, or the SAT subject tests if needed.
- **Know Your Story.** Make a resume of your activities and achievements.
- **Make a college list.** Use an online search tool to create a list of schools that are a good fit for you.
- **Compare *Fit Factors* across colleges.** Use the My College Search sheet to compare Fit Factors across colleges.
- **Get the facts about paying for college.** Use your SCOOP sheet to compare costs and outcomes across colleges. It may be cheaper than you think!
- **Apply for scholarships.** Use your Scholarships and Grants list as a starting point for searching and applying for as many scholarships as you can.

Apply to Four or More

- **Consider less familiar colleges.** Complete the Break Beyond the Familiar video activity to succeed in college.
- **Finalize your college list.** Choose four or more schools – include safety, match, and stretch schools.
- **Write your essays early.** Use your resume to start writing your personal statement and essays.
- **Retake the SAT and ACT if you need to.** Send your score reports to your four or more schools.
- **Request letters of recommendation and high school transcripts.** Remind recommenders of deadlines. Order your transcripts one month before each college's deadline.

- **Complete and submit your college applications.** Keep track of college requirements and deadlines, and use your fee waivers for your applications.

Find the Funding

- **Complete the FAFSA before March 15.** Submitting your FAFSA on time is the best way to make sure you get as much financial aid as you can. Check your state's deadline to make sure you don't miss it.
- **Continue to apply for scholarships.** Look for more scholarship opportunities and keep track of deadlines.

Choose the Best Fit

- **Discover campus support services.** Contact colleges to learn about available services to help you succeed.
- **Make College Affordable.** Review your financial aid award letters, then revisit a Net Cost Calculator and Income-Based Repayment Calculator to figure out how much each of your options will really cost.
- **Weigh all your *Fit Factors*.** Use your best judgment to choose the college that will be your best fit – academically, personally, and financially.

Cross the Finish Line!

- **Register for orientation and placement testing.** When you register, ask what you need to bring to orientation. Check if your college requires you to take an academic placement test.
- **Check your financial aid status and plan to pay your first term bill.** Check in with your college's financial aid office to review your financial aid award letter and to pay your first term bill.
